## Master of Public Policy Degree Program

The mission of the University of Northern Iowa's Master of Public Policy (MPP) program is to enhance the public service values of emerging and mid-career public service professionals and equip them with the knowledge and skills needed to analyze, develop, and evaluate public policy and affairs at all levels of government. We expect our graduates to: value accountability and transparency as integral to responsible stewardship of the public trust; be able to assess the ethical implications of policy decisions and incorporate those considerations into their professional work; be able to differentiate between efficiency and effectiveness in evaluating policy alternatives; and demonstrate respect, equity and fairness in their dealings with fellow public servants and diverse communities.

The MPP program is an online professional interdisciplinary degree program providing specialized and advanced training for students wishing to assume roles as policy analysts, principally in the governmental and nonprofit sectors of society. Courses in this program are offered using a combination of Zoom, an interactive video conferencing system, on Tuesday evenings and online via eLearning, a Blackboard learning management system. Courses meeting in the fall and spring semesters are taught in eight-week modules and summer courses will be six weeks in length. The program is designed to be completed in two years (eight semesters and two summers).

Students interested in this program submit a completed Application for Admission to Graduate Study. Complete undergraduate transcripts are required for admission review, as are a personal statement resume, and two letters of recommendation. The Graduate Record Examination (General Test) is not required for admission to the program. Admission to the MPP program is competitive. For more information about the program, visit https://continuinged.uni.edu/distance/public-policy or email the Program Coordinator, Professor Chris Larimer at christopher.larimer@uni.edu.

Only graduate courses (course numbers 5000 or above) will apply to a graduate degree, even if the undergraduate course number (4999 or less) is listed. No exceptions will be made.

The M.P.P. is available on the **non-thesis** option only, and requires **36** semester hours. A minimum of **13** hours of **6000-level course work** is required. As part of PUBPOL 6280, students will work in teams to complete a capstone project for a designated organization.
