## Deaf or Hard of Hearing - Teaching Minor

Successful completion of this minor leads to being qualified for recommendation of the Iowa Deaf or Hard of Hearing teaching endorsement #266. To qualify for the teaching endorsement associated with this minor, students must also complete (or have already completed) all requirements for an Early Childhood, Elementary, or Secondary Education major and complete student teaching EDUC 4135 in both the major and the Deaf or Hard of Hearing Teaching endorsement area. If a student already possesses a valid teaching license, completion of the Practicum for Deaf or Hard of Hearing Teaching Students will satisfy the EDUC 4135 requirement for the endorsement. Students who wish to complete this minor without pursuing the teaching endorsement should seek permission from the Department of Communication Sciences and Disorders and the Department of Special Education.

Required:
