

Artificial Intelligence in Education Graduate Certificate

Artificial Intelligence in Education Certificate

The Artificial Intelligence (AI) in Education Graduate Certificate targets teacher/instructor practitioners. The program engages professional educators with the workings of AI, its uses, its limits, and how it can be used by educators to support curriculum development and differentiation that respond to the diverse needs of students. The Graduate Certificate will also engage educators with emerging trends in AI and how it is being used to support teaching and learning. This certificate may be stacked into the MAE in Transformative Education.
