

Instructional Design Graduate Certificate

Instructional Design Certificate

The Instructional Design Graduate Certificate Program is tailored to professionals seeking expertise in creating effective learning experiences. This program provides students the knowledge and skills to develop and implement online learning solutions. Included are instructional design models, theoretical foundations, experiential learning opportunities, and pedagogical and andragogical strategies. Instructional system design models for systematically developing e-learning instruction are also included. Graduates will be prepared to navigate instructional design challenges in diverse learning environments.

This certificate may be stacked into the MAE in Transformative Education.
