The College of Business offers the following under the supervision and jurisdiction of the college. The programs include:

**Graduate Major**
- Master of Business Administration (p. 1)

**Program Certificates**
- Business Administration (p. 2)
- Business of Health Care Administration for Business Majors (p. 2) (also listed in Department of Economics and Department of Health, Recreation and Community Services)
- Business of Health Care Administration for Non-Business Majors (p. 3) (also listed in Department of Economics and Department of Health, Recreation and Community Services)
- International Business, Culture, and Language (p. 4) (also listed in Department of Languages and Literatures)

**Master of Business Administration Degree Program**

Graduate study in business at UNI is designed to qualify people for creative leadership in organizations. The Master of Business Administration is a broad-based, integrated program which emphasizes the functional areas of business in order to provide the graduate with a balance between theoretical knowledge and practical business operations. The M.B.A. curriculum is designed to meet the needs of working professionals with undergraduate backgrounds in the liberal arts, sciences, engineering, as well as those with degrees in business. The M.B.A. program is accredited by AACSB International, the primary accrediting organization for management education.

The plan of study prescribed for the degree is structured to develop graduates who will have acquired:

1. knowledge of current business practice and management techniques necessary to be effective in managing and leading the day-to-day operations of the organization, as well as scanning the business environment and strategically planning for the future;
2. critical thinking skills to address complex business issues, gather information, identify and evaluate a range of options, and make ethical, thoughtful choices among the alternatives;
3. the ability to use appropriate quantitative and qualitative tools and concepts throughout the problem solving process showing an appreciation for the interrelationships among the various business functions;
4. the ability to effectively participate as a team member, facilitate group processes, and manage team projects;
5. professional written and oral communication skills necessary for effective management.

Admission to the Master of Business Administration program is dependent upon the quality of the applicant's undergraduate record, post-baccalaureate experience, the score on the Graduate Management Admission Test (GMAT), and writing and reasoning skills demonstrated on the addendum to the application.

Only graduate courses (course numbers 5000 or above) will apply to a graduate degree, even if the undergraduate course number (4999 or less) is listed. No exceptions will be made.

This program is available on the non-thesis option only. Students who enter the program with the undergraduate requirements of a baccalaureate degree will normally require 31 semester hours to complete the program. Those students who enter the program with an undergraduate degree in an area other than business will be required to complete some pre-MBA courses in business or show that they have completed equivalent courses in previous academic work. A minimum of 12 hours of 200/6000-level course work is required.

Candidates for the degree are also required to successfully complete and pass a business capstone experience at the end of their program of study. The result of this experience is reported in a paper and filed in the M.B.A. office.

Students interested in this program must submit a completed Application for Admission to Graduate Study and should refer to their MyUNIverse Student Center To-Do list or contact the College of Business Administration for any other application requirements. Graduate information and application for graduate admission can be found at www.grad.uni.edu/admission.

Detailed information for the M.B.A. may be obtained from the College of Business Administration, UNI or on the M.B.A. Web site business.uni.edu/graduate.

Program Certificates

The University of Northern Iowa makes available, in addition to traditional programs, the opportunity for students to earn program certificates. Program certificates provide an alternative to programs leading to a degree, a major, or a minor; they certify that an individual has completed a program approved by the university. For information on the following program certificates, contact the College of Business Administration or the Office of the Registrar, which serves as the centralized registry.

Certificate in Business Administration

This certificate is available to those holding an MSN or concurrently enrolled in an MSN degree program. Courses in business administration supplement an MSN degree’s health care leadership courses to prepare an individual for a management role within a health organization.

Master of Business Administration

Student Learning Objective 1: Professional Knowledge and Skills
Graduates will demonstrate knowledge of current business practice and management techniques necessary to be effective in managing and leading the day-to-day operations of the organization, as well as scanning the business environment and strategically planning for the future.

Competency 1.1. Applies fundamentals of accounting, finance and economics
Competency 1.2. Applies fundamentals for managing business operations
Competency 1.3. Applies fundamentals of marketing management
Competency 1.4. Applies fundamentals of managing human resources
Competency 1.5. Applies fundamentals of data management and analysis for the organization
Competency 1.6. Applies strategic planning for the organization

Student Learning Objective 2: Critical Thinking Skills
Graduates will demonstrate the critical thinking skills to address complex business issues, gather information, identify and evaluate a range of options, and make ethical, thoughtful choices among the alternatives.

Competency 2.1. Problem Identification—Identifies, summarizes (and appropriately reformulates) the key issues/problem(s)/work assignment
Competency 2.2. Comprehensive Approach - Integrates comprehensive and unbiased issue analysis using different perspectives, including multiple stakeholder perspectives and positions
Competency 2.3. Identifies and considers appropriate data, contexts, and assumptions relevant to the situation
Competency 2.4. Assesses and analyzes appropriate data/evidence using a set of appropriate tools and methods

Competency 2.5. Identifies, assesses and evaluates alternate options

Competency 2.6. Identifies and assesses conclusions, implications, and consequences

Student Learning Objective 3: Problem Solving Skills Graduates will demonstrate the ability to use appropriate quantitative and qualitative tools and concepts throughout the problem solving process showing an appreciation for the interrelationships among the various business functions.

Competency 3.1. Identifies relevant business functional perspectives

Competency 3.2. Selects and applies appropriate tools

Competency 3.3. Interprets output

Competency 3.4. Recognizes limitations of tools used in analysis

Student Learning Objective 4: Teamwork Skills Graduates will demonstrate the ability to effectively participate as a team member, facilitate group processes, and manage team projects.

Individual Competencies:

Competency 4.1. Communication skills and task-related behaviors that support team participation

Competency 4.2. Facilitates group processes

Overall Team Competencies:

Competency 4.3. Efficiency in Team Project Management

Student Learning Objective 5: Communication Skills Graduates will demonstrate the professional written and oral communication skills necessary for effective management.

SLO 5A Written communication:

Competency 5.A.1. Focus of Work

Competency 5.A.2. Organization of work

Competency 5.A.3. Content Development

Competency 5.A.4. Language Style and Tone

Competency 5.A.5. Document design

Competency 5.A.6. Written language mechanics

SLO 5B Oral Communication:

Competency 5.B.1. Verbal and non-verbal delivery

Competency 5.B.2. Responsiveness to audience

Competency 5.B.3. Professional attire

Competency 5.B.4. Organization of the presentation

Competency 5.B.5. Use of presentation software and handouts.
