A copy of the Admission, Retention, and Graduation Policy may be obtained from UNI Business Advising in the College of Business or at https://business.uni.edu/students/advising/uni-college-business-policies. Prior to completion of the admission requirements, students may sign an intent to major in Finance or Real Estate and be classified as a prospective (pre)major. Pre-Finance and Pre-Real Estate majors may enroll in lower division (below 3000-level) business courses only. Enrollment in upper division (3000/4000-level) business courses requires satisfactory completion of the College of Business admission requirements and any course prerequisites.

Finance and Real Estate majors may declare a double major, and/or major and minor within the College of Business, subject to the approval of the other College of Business departments involved. Finance and Real Estate majors minoring within the College of Business must select minors designated for business majors. Finance majors cannot minor in Finance, and Real Estate majors cannot minor in Real Estate. However, Finance majors may double major or minor in Real Estate, and Real Estate majors may double major in Finance or minor in Finance. Also, not more than one emphasis area may be declared in Finance.

To graduate with a major in Finance or Real Estate from the College of Business, a student must earn at least 50% of the business credit hours required for the major at UNI. A student must earn a 2.20 cumulative grade point average at UNI; and must earn an overall 2.20 grade point average in ACCT xxxx, MKTG xxxx, MGMT xxxx, FIN xxxx, and ECON xxxx courses taken at UNI. Students given permission to graduate out-of-residence must earn a 2.20 or better in all courses approved and accepted for out-of-residence credit.

The Finance Department may impose additional admission requirements for students wishing to declare a minor or a second College of Business major. Eligibility to declare a minor or a second College of Business major is based on competitive GPA and space availability. Students may obtain a copy of these requirements from UNI Business Advising (CBB 5) in the College of Business.
