The Department of Psychology offers the following programs:

**Undergraduate Major (B.A.)**
- Psychology (p. 1)

**Minor**
- Mental Health (p. 1)
- Psychology (p. 2)

**Graduate Major (M.A.)**
- Psychology (p. 2)

**Program Certificate**
- Military Psychology (p. 3)
- Work Psychology (p. 4)

*PSYCH 1001 Introduction to Psychology* is a prerequisite for most other psychology courses, and must be taken by all psychology majors and minors. It also counts as a UNIFI/General Education requirement.

Only courses with an earned grade of at least a C- will count toward major, minors, and program certificates.

It is possible for psychology majors to graduate with departmental honors provided they have an overall GPA of at least 3.00, a psychology GPA of at least 3.50, and complete a research project deemed worthy of honors by the department. Generally such a project is done in the context of 3 hours of PSYCH 4705/5705 Research Experience in Psychology.

**Bachelor of Arts Degree Program**

Master of Arts Degree Program

Major in Psychology

Applications are not being accepted for the MA Psychology major at this time.

Students interested in this program must submit a completed Application for Admission to Graduate Study and should refer to their MyUNiverse Student Center To-Do list or contact the Department of Psychology for any other application requirements. Graduate information and application for graduate admission can be found at https://admissions.uni.edu/application.

In addition to meeting general university admission requirements, applicants are also required to submit the following for consideration:

1. a departmental application form;
2. resume or CV
3. personal statement
4. three letters of recommendation, preferably from undergraduate psychology instructors; and

The application deadline for fullest consideration for financial aid is early May. Applications completed by April 30 will be reviewed and given consideration, but early application is strongly encouraged.

Only graduate courses (course numbers 5000 or above) will apply to a graduate degree, even if the undergraduate course number (4999 or less) is listed. No exceptions will be made.

This major is available on the thesis option only for the Social Psychology track; the Clinical Science track offers a non-thesis and a thesis option. The major requires a minimum of 42-43 semester hours, depending on the emphasis chosen. A minimum of 15 semester hours of 6000-level course work is required.

The M.A. program in psychology consists of two traditional emphases:

1. clinical science, for students wishing to pursue doctoral-level study in clinical, counseling, or school psychology or careers as master’s research coordinators or providers of psychological services in agencies or institutions;
2. social psychology, for students wishing to pursue doctoral study in social and related areas of psychology or careers as master’s level data analysts or community college instructors.

The program maintains a strong empirical, research-based orientation and seeks to: a) provide students with opportunities to develop skills in research methodology; b) gain advanced knowledge of major areas of scientific psychology; and c) obtain basic competence in skills relevant to these areas. All students are required to complete a thesis for successful completion of this program. It is expected that students in the two-year program will, except under extraordinary circumstances, have a thesis proposal approved by their advisor by the beginning of their second year of study. The program is set up so it should be completed in two full academic years and two summers. Students are strongly encouraged to finish within this time frame.

### Program Certificates

The University of Northern Iowa makes available, in addition to traditional programs, the opportunity for students to earn program certificates. Program certificates provide an alternative to programs leading to a degree, a major, or a minor; they certify that an individual has completed a program approved by the university. For information on the following program certificates, contact the Department of Psychology or the Office of the Registrar, which serves as the centralized registry.
