The Department of Social Work offers the following undergraduate and graduate programs and program certificates. Specific requirements for these programs are listed within this Department of Social Work section in the following order:

**Undergraduate Major (B.S.W.)**
- Social Work (p. 1)

**Minor**
- Social Welfare (p. 2)

**Graduate Major (M.S.W.)**
- Social Work (p. 2)

**Program Certificates**
- Child Welfare (p. 4)
- Conflict Resolution (p. 4)
- Social Work (p. 5)
- Substance Abuse Counseling (p. 5)

The Social Work Department at the University of Northern Iowa is accredited by the Council on Social Work Education. The undergraduate social work major prepares students for beginning level professional social work practice.

The mission of the UNI BSW in Social Work program is to prepare students for beginning generalist social work practice at the individual, family, small group, organizational and community levels while adhering to social work values and ethics. Students will learn to use research informed practice to advocate for social and economic justice. This commitment is supported by the promotion of multicultural responsiveness. Critical thinking is a fundamental component of the program that encourages students to examine challenging or opposing concepts and explore conflicting personal and professional values. Service learning requirements, to include volunteer and internship experiences, contribute to the sharing of knowledge between community partners, faculty and student.

**Bachelor of Social Work Degree Program**

**Social Work Major**

The Social Work major requires a minimum of 120 total hours to graduate. This total includes Liberal Arts Core requirements and the following specified major requirements, plus electives to complete the minimum of 120 hours.

* STAT 1772 (800:072) will substitute for SOC 2020 (980:080).

**SW 4200 can also be taken for 4 additional credit hours on an elective basis.**

*** SW 4194/5194 (450:194g) may be repeated on different topics.
A minimum cumulative grade point average for all college work of 2.50 and a 2.50 grade point average for all UNI courses taken is required for admission to the Social Work major. A minimum UNI grade point average of 2.50 is required for graduation as a Social Work major.

In order to enroll in SW 4200, a student must be a Social Work major and the following must be present: senior standing (90 or more credit hours); completion of SW 2091 (450:091) and SW 3192 (450:192) with a minimum grade of C in each course; SW 1001; SW 4164 (450:164g); SW 3185 (450:185); statistics course; and a minimum UNI and Total Cumulative grade point average of 2.50.

Students who graduate with a major in Social Work receive a Bachelor of Social Work degree with a Social Work Certificate.

**Minor**

**Social Welfare Minor**

The Social Welfare Minor provides a comprehensive understanding of the social welfare system, the values behind it, and the social issues facing individuals, families, groups and communities. It provides an understanding of social welfare and social service programs, and introduces students to the wide variety of Social Work positions.

Students complete one required course and four elective courses offered by the Department of Social Work for a total of 15 credits. If a student chooses to Major in Social Work, all the courses taken for the Social Welfare Minor will apply to the Major; however, students cannot receive both a Minor in Social Welfare and a Major in Social Work at the same time. Only students who graduate with a degree in Social Work from a program accredited by the Council on Social Work Education (CSWE) are eligible to be licensed as social workers in the State of Iowa (LBSW) and can be considered for Advanced Standing in the MSW program.

**Master of Social Work Degree**

**Major in Social Work**

The Master of Social Work program is accredited by the Council on Social Work Education.

The Master’s Degree in Social Work (M.S.W.) is available only on the non-thesis option. The M.S.W. program is designed to prepare students for the advanced practice of social work in a variety of. There are two avenues to the M.S.W. degree: the Foundation program, open to persons with baccalaureate degrees in other fields from an accredited college or university, and the Advanced Standing program, which is available only for qualified students who have graduated from a Council on Social Work Education (C.S.W.E.) accredited baccalaureate social work program.

**Trauma Informed Practice** is UNI’s M.S.W. specialization. In this specialization students learn an integrated approach to treating both acute and complex forms of psychological trauma. This approach includes elements from various cognitive and body-centered psychotherapies and approaches, including mindfulness, eye-movement desensitization and reprocessing (EMDR), sensorimotor psychotherapy, somatic experiencing therapy, yoga, and tai chi. The Trauma Informed Practice specialization prepares students for direct practice with individuals, groups, families, organizations and communities.

Only graduate courses (course numbers 5000 or above) will apply to a graduate degree, even if the undergraduate course number (4999 or less) is listed. No exceptions will be made.

A minimum of 20 hours of 6000-level course work is required for the two-year and the advanced standing programs.

Any 5000 level social work course or any 6000 level MSW concentration course not required on the degree will apply as an elective to the student’s Plan of Study.

The Foundation program requires a minimum of 60 semester hours, which consists of a generalist Foundation Core of 26 semester hours of coursework and field, an Advanced Core of 6 hours, followed by the trauma informed specialization (28 semester hours) and field practicum/seminar. The program is offered in cohort groups and consists of five consecutive terms of course work and field practicum/seminar. An Extended-Enrollment option is available to students in the Two Year program who can attend classes at times offered (three-hour blocks) and participate in the field practicum at agencies that generally operate during regular business hours. An extended-enrollment distance education option is available for this track as well.

The Advanced Standing program requires a minimum of 37 semester hours. The program consists of a summer Advanced Core of 9 hours, preceding two academic terms of concentration courses and field practicum/seminar. An Extended Enrollment option is available to Advanced Standing students who can attend classes at times offered (three-hour blocks) and participate in the field practicum at agencies that generally operate during regular business hours. An extended-enrollment distance education option is available for this track as well.

Students interested in the two-year or advanced standing program must submit a completed Application for Admission to Graduate Study and should refer to their MyUNIverse Student Center To-Do list or contact the Department of Social Work for any other application requirements.
General graduate information and application for graduate admission can be found at [www.grad.uni.edu/admission](http://www.grad.uni.edu/admission).

The Graduate Record Examination (General Test) is not required for admission to the program; however, applicants may wish to submit GRE scores in support of their application.

Admission to the M.S.W. is competitive. Applicants must comply with all of the policies and procedures pertaining to admission to graduate study as set forth in this University Catalog. In addition, applicants are required to submit the following in order to be considered for admission:

1. The Department of Social Work M.S.W. application.
2. Three letters of reference.
3. A personal statement.
4. A resume.
5. As part of normal admission to graduate study at UNI, official transcripts for all post-secondary institutions attended (with the exception of the University of Northern Iowa), must be sent directly from the college or university attended to the Office of Admissions at the University of Northern Iowa.

For information concerning admission or required courses for the M.S.W., contact the Department of Social Work, M.S.W. Program, 235 Sabin, Cedar Falls, IA 50614-0405, or phone 319-273-5910, or visit [www.uni.edu/csbs/socialwork/msw-graduate-degree](http://www.uni.edu/csbs/socialwork/msw-graduate-degree).

**Conflict Resolution Certificate**

Conflict can be viewed on both the macro and micro system levels. It can be interpersonal, as in the area of individual or family dynamics, or organizational, as in labor, racial/ethnic, or international relations. The Certificate in Conflict Resolution focuses on understanding the roots of conflict, as well as its management or resolution. This certificate is designed for students working toward a baccalaureate degree, and whose anticipated careers may provide opportunities for conflict resolution. Examples of related majors include social work, sociology, criminology, communication studies, education, environmental science, management, public administration, public policy, and political science.

The objectives of the Conflict Resolution program are to:

- provide students with a grounding in conflict theory and approaches to conflict resolution;
- provide students with beginning skills in conflict resolution and management;
- provide opportunities to integrate conflict resolution knowledge and skills in a variety of academic areas.

### Courses

**SW 1001. Introduction to Social Work and Social Services — 3 hrs.**

This course will introduce prospective social work majors to the field of social work, its history, values, and populations that are served. Students will become familiarized with the various roles, functions, and tasks that generalist social workers perform. Presentations by social work professionals in different fields of practice will supplement classroom lecture, discussion and small group exercises. As part of the course assignments, students will engage in service learning opportunity. Students are required to volunteer in a service setting for a minimum of 30 hours throughout the semester. The activity serves as a microcosm into the social work profession; gaining insight into agency/program function with opportunity for direct client interaction. (Fall and Spring)

Comparative study of social welfare (social insurance, public welfare, charity and philanthropy, social services, and mutual aid) in the United States, and selected nations from five regions of the world as defined by the International Congress of Schools of Social Work (African, Asian, European, Latin American, and North American regions). (Same as SOC SCI 1041 (900:041)) (Fall and Spring)

**SW 2045 (450:045). American Racial and Ethnic Minorities — 3 hrs.**

This course will be a survey of cultural American minorites, with attention to minority groups in Iowa. It will involve a multidisciplinary approach with particular emphasis on geographic origins, linguistic traditions and current modes of economic subsistence. Introduction to folkways and mores of each group will be covered. [Same as SOC SCI 1045 (900:045)] (Fall and Spring)

**SW 2080 (450:080). Statistics for Social Work — 3 hrs.**

This course introduces students to descriptive and rudimentary inferential statistics for social workers. Emphasis is on understanding and calculations of central tendency measures, measures of dispersion and measures relating to the standard normal distribution. Students will review basic statistical methods (Descriptive and Inferential Statistics; Measures of Association), and become familiar with basic parametric and non-parametric techniques. Prerequisite(s): completion of mathematics requirement for the Liberal Arts Core. (Fall and Spring)

**SW 2091 (450:091). Practice with Individuals — 3 hrs.**

This course is one of three in the social work practice sequence. It provides students with beginning level knowledge, skills, and values for generalist social work practice with individuals. Students are exposed to diversity and difference in practice as they learn how to engage, assess, plan, prepare, implement, evaluate, and terminate. Professionalism is fundamental to this course and is guided by the Social Work Code of Ethics. Prerequisite(s) or corequisite(s): SW 1001; or consent of instructor. (Fall and Spring)

**SW 3102 (450:102). Conflict Resolution — 3 hrs.**

Survey of social science theory and research in conflict resolution with emphasis on development of less destructive modes of problem solving in social formations. Prerequisite(s): SW 1001 or PSYCH 1001 (400:001) or SOC 1000 (980:001) or SOC 1060 (980:060) or consent of instructor; junior standing. (Fall and Spring)

**SW 3185 (450:185). Social Work Research — 3 hrs.**

Application of research to social work practice including formulation of research questions and hypotheses, strategies of research design, measurement and methods of collecting data, questionnaire construction, data presentation, and report writing. Prerequisite(s): SOC 2020 (980:080) or STAT 1772 (800:072); junior standing. (Fall and Spring)

**SW 3189 (450:189). Readings in Social Work — 1-3 hrs.**

May be repeated only with consent of department. Prerequisite(s): 6 hours in social work; consent of department. (Fall and Spring)

**SW 3192 (450:192). Practice with Groups and Families — 3 hrs.**

This is the second of a three-course sequence on generalist social work practice. The course focuses on practice at the Mezzo level with an emphasis on solution focused group work. Prerequisite(s): declared Social Work major; completion of SW 2091 (450:091) with a minimum grade of C; minimum UNI and Cumulative GPA of 2.50. (Fall and Spring)

**SW 4121 (450:121g). Social Work in Mental Health Settings — 3 hrs.**

A history of mental health institutions, including deinstitutionalization, is covered in this course. Changing perceptions of mental illness and how those views determine the interventions we use is discussed. (Variable)

**SW 4143 (450:143g). Self-Care and Stress Management in Helping Professions — 3 hrs.**

Stress and stress management for helping professionals and their clientele. Physiological, psychological, social, and economic factors that produce stress and strategies for coping with those stressors. (Variable)

**SW 4144 (450:144g). Social Policies and Issues — 3 hrs.**

Policy development and the consequences of policy for social welfare institutions. Frameworks for policy analysis. Planning, program design, and policy decisions for administration of social services. Prerequisite(s): SW 1001; senior standing. (Fall and Spring)

**SW 4163 (450:163g). Diversity and Difference — 3 hrs.**

SW 6234. Primary and Secondary Trauma — 3 hrs.
This course serves as an introduction to understanding the key concepts of trauma informed systems of care in generalist social work practice. Students will learn to identify and understand the various types of trauma along with the behaviors and responses seen in survivors of trauma, diagnosis of Post-Traumatic Stress Disorder and other trauma reactions, basic neurological and biological effects of trauma, and the relationships between trauma and other mental health disorders. An overview of the central principles and key concepts of trauma informed care along with examples will also be provided, including a review of the concept of secondary (or vicarious) trauma affecting caregivers and professionals. This will involve knowledge and skills related to self-exploration and awareness and self-care. Prerequisite(s): Completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Summer)

SW 6235. Systems Redesign and Community Collaboration — 3 hrs.
The purpose of this course is to increase knowledge and skills that students will need as employees, change agents, or consultants of organizations. Students are provided opportunities to increase their knowledge of organizational change to reduce secondary trauma to clients and collaboration between agencies to become more user-friendly to clients with multiple issues. In addition, students learn about their behavior and the behavior of others in the organizational setting and how that may influence clients, staff, and administration, especially those with traumatic histories. Interventions that promote safety and reduce vulnerability of clients and staff are explored and skills to effectively communicate with interdisciplinary teams are reviewed. Agency policies and procedures and advocacy strategies are examined with the goal of reducing secondary trauma. Prerequisite(s): Completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Summer)
SW 6240 (450:240). DSM V: Balancing Strengths and Differential Diagnosis — 3 hrs.
The purpose of this course is to introduce students to prevalent psychiatric disorders using the DSM-5. Understanding the DSM categories, along with the combination of bio-psycho-social causes for the diagnostic labels, is a vital part of treatment planning and, ultimately, providing effective services. Prerequisite(s): Admission to the graduate program in Social Work. (Fall and Spring)

SW 6244 (450:244). Advanced Social Work Practice with Families — 3 hrs.
Development of advanced social work practice skills, techniques, and interventions with families, building on the core foundation of generalist social work practice. Special attention is given to culturally-diverse and rural families using a trauma informed approach to practice. Prerequisite(s): completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Fall and Spring)

SW 6246. Trauma Informed Practice I — 3 hrs.
Trauma Informed Practice I is the preliminary course in the practice sequence at the specialty level of the Trauma Informed Care Concentration. The practice sequence has three interrelated foci: Violence and Trauma; Mental Health and Recovery; and Health and Wellbeing. This provides a multi-level social work perspective based on best practices and theory that promote healthy individual development as well as environments that support human development. Practice I introduces the sequential model of trauma treatment and recovery, specifically focusing on the first phase regaining a sense of safety, non-toxic self-regulation and self-smoothing and transitioning into the second phase, starting active work upon the trauma. The language of trauma is interpreted as an adaptational coping response to violence. The student becomes an interpreter of the language of what maladaptive behavior is trying to tell us, and how a more humanistic use of biological-psycho-social-cultural/spiritual interventions is synchronous with social work ethics and values. Specific methodologies practiced may include Motivational Interviewing, Seeking Safety, Mindfulness, Creating Sanctuary and Trauma-Focused Cognitive Behavioral Therapy using both individual and group modalities. Prerequisite(s): Completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Fall)

SW 6247. Trauma Informed Practice II — 3 hrs.
Trauma Informed Practice II builds on Trauma Informed Practice I and continues coverage of the three interrelated foci: Violence Trauma; Mental Health and Recovery; Health and Wellbeing. Practice II expands the sequential model of trauma treatment and recovery, specifically focusing on the second phase, active work upon the trauma through the development of the trauma narrative and addressing the resulting grief and loss by employing any of a range of psychological techniques, as well as the final stage of fostering integration, an advance to a new post-traumatic life, possibly broadened by the experience of surviving the trauma and all it involved. Strong emphasis is placed on healthy professional development through self-awareness, self-reflection and self-care, including being attuned to the signs and symptoms of secondary traumatic stress and compassion fatigue and developing self-care strategies, techniques and supports. Practice entails further refine of methodologies introduced in Practice I as well as dialectal behavior therapy and collaborative practice strategies with schools, foster families, courts, health, behavioral health and social service agencies as a framework for multi-level practice incorporating individual and group modalities. Prerequisite(s): Completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Spring)

SW 6262 (450:262). Program Planning and Design — 3 hrs.
Development of skills to strategically plan, assess and design programs and services in human service organizations. Trauma-informed theoretical contributions, strategic planning, collaboration, systemic assessment, financial literacy, program design and monitoring. Prerequisite(s): completion of first year of M.S.W. program, or graduation from a Council on Social Work Education accredited undergraduate curriculum. (Variable)
