

Sociology of Race/Ethnicity and Immigration Certificate

Sociology of Race/Ethnicity and Immigration Certificate

This certificate allows students to develop a rich understanding of two of the greatest social issues of our time: racism and immigration. Students learn the history and development of racism and immigration, as well as contemporary permutations. Students examine racism and immigration as they relate to social policy, schools, workplaces, the criminal justice system, human trafficking, and racial justice movements. This certificate allows students to develop cultural awareness and interactional competence that allow them to be effective leaders and citizens in a racially and culturally diverse society.
