## Housing

<https://uhd.uni.edu/housing>

### Living in the Dorms

Official admission to the University of Northern Iowa is a prerequisite to contracting for housing in the residence halls. Once new students are admitted, Housing & Dining will send information about living on campus. The Housing & Dining website includes information about each of the dorms, meal plans and the Housing & Dining Contract. The Housing & Dining Contract can be filled out online and is considered binding and complete once you have accepted your offer of admission, paid the acceptance fee and agreed to the terms and conditions.

Priority for room self-selection is based on the contract completion date; the earlier your contract is completed, the greater the chances of getting in to the dorm and room you prefer. If an applicant finds

it necessary to cancel the contract before occupying the room, any refund or forfeiture is based on the date of written notification and fulfills the terms of the contract.

### Occupancy

Move-in for the fall semester begins during the week prior to the first day of classes; the actual move-in date depends on the student's classification and years on campus. Spring semester move-in is generally the Friday before the start of the semester. If a reserved room is not occupied on the first day of classes and arrangements have not been made with Housing & Dining for later occupancy, the reservation will be cancelled and forfeiture of prepaid fees and penalties will be applied as stated in the contract terms and conditions.

The Housing & Dining Contract covers a full academic year (fall and spring semesters) or the balance thereof; separate contracting is necessary for the summer term. If the contract is terminated before the expiration date, appropriate provisions of the contract will apply. The student is responsible for any financial liabilities incurred prior to the date of termination and a contract buyout fee.

Continuous housing during academic and holiday break periods is available in all dorms as part of the academic year contract. Students may also remain living in the dorms during the summer, regardless of whether or not they are enrolled in classes for the summer term, by adding a summer housing contract.

### Dorms

University Housing & Dining is designed to provide housing to nearly 3,650 students in ten residence facilities. Students living on-campus have the advantage of easy access to all classrooms, campus activities and campus resources. Dorm rooms have Internet access, are furnished and include laundry and utilities. Each dorm is designed with lounges, study rooms, recreational areas, laundry rooms and other facilities for the comfort and convenience of the students, as well as direct access to a computer lab. Both professional and student staff members organize social events that build a strong sense of community and inclusion, as well as support activities that promote academic success.

The dorms offer a mix of traditional double and single rooms, suites and apartment-style spaces. All are mixed gender and some offer all-gender housing. Residential communities within each of the dorms are divided up into houses of approximately 50 students. One Resident Assistant (a student staff member) lives within each community to serve as a resource for the members of that house.

### Upper-Division Housing

Housing for upper-division students is available within all of our dorms. However, Lawther Hall, Panther Village, Roth Apartments and Jennings Court Apartments have been designed to better accommodate upper-division students.

Lawther Hall is a mix of traditional double rooms, single rooms and suites with private and semi-private bathrooms. Students living in Lawther Hall have a meal plan. Jennings, Panther Village and Roth are apartment-style residence halls, offering individual rooms within a common unit containing a private restroom, kitchen and living space.

## Student Life

Students wishing to live in any of these accommodations must be a returning or transfer student.

## Dining

Students living in the traditional dorms can select between the All-Access or Block 220 plans. Both plans provide for meals in the two dining centers on campus, Piazza in Redeker Center and Rialto in Towers Center. Both come with Dining Dollars to be used at any of the campus retail stores.

Additional meal plan options are available to students living in our apartment-style halls, as well as those commuting to campus. Learn more online at <https://uhd.uni.edu/meal-plans>.

## Housing & Dining Contracts

Contractual responsibilities are reviewed annually and are subject to change. Refer to the terms and conditions of the current contract. The current terms and conditions are available at <https://uhd.uni.edu/housing/contract-terms-and-conditions>.
