University Facilities

Rod Library

<https://www.library.uni.edu/>

Located in the heart of campus, Rod Library offers resources, spaces, and programming to the UNI and local communities. Rod Library supports the curricular, informational, and research needs of UNI's students, faculty, staff, and local community.

Mission

Rod Library empowers and inspires our community to discover, imagine, create, and innovate.

Vision

Rod Library aspires to be the best comprehensive university library in the country.

Rod Library is a four-story building that is centrally located on campus. Also housed in Rod Library are the Center for Excellence in Teaching and Learning, and the Office of Undergraduate Studies.

The library provides a variety of services, unique collections, the Learning Commons and study spaces for individuals and collaborative groups.

Services

- Library Services Desk (research help and check-out of materials)
- Over 1,200,000 print books and journals
- Access to over 80,000 electronic journals, 490,000 electronic books, and 150,000 additional electronic resources
- Interlibrary Loan (for materials not held at Rod Library)
- Course reserves
- Checkout of phone chargers, DVDs, CDs, laptops and more
- Family Study Room

Unique Collections

- CIEP and ESL Collection
- Fine and Performing Arts Collection
- Special Collections and University Archives
- UNI Museum
- UNI ScholarWorks
- Youth Collection

Learning Commons

- Makerspace
- Book Bistro
- Listening and viewing room
- The Learning Center @ Rod Library

Collaborative workstations and spaces

- Quiet study spaces
- Active study spaces
- Group and individual study rooms
- Active Learning Instructional Classrooms
- Meeting spaces with technology (e.g. the Surface Hub)
- ScholarSpace

Rod Library is open Monday-Thursday from 7 a.m. - midnight, Friday 7 a.m. - 7 p.m., Saturday 12 p.m. - 5 p.m., and Sunday 12 p.m. - midnight during the Fall and Spring semesters, with extended hours during finals.

Human Performance Center

Opened in late fall of 2007, the 33,000 square foot Human Performance Center represents a unique public/private partnership between UNI and Cedar Valley medical community. Designed to support the academic and public service programs of UNI's Department of Health, Recreation and Community Services, the center includes classrooms, offices, laboratories and medical office space. The Human Performance Center has two distinct areas: the Sport and Human Performance Center which provides space for UNI's Athletic Training academic program, Cedar Valley Medical Specialists P.C.-Department of Orthopedics and Northeast Iowa Physical Therapy as well as space for sports medicine and hydrotherapy services; and the Davis Center for Healthy Youth Development provides space for UNI Community Engagement Office, the R.J. McElroy Professor of Youth Leadership Studies, Nonprofit Leadership Alliance, and the National Program for Playground Safety.

Maucker Union

The Maucker Union, located east of the UNI Library, serves as an informal meeting place for students, faculty, staff, alumni, and guests of the university. The unique facilities of Maucker Union are useful for a wide range of activities including cultural, recreational, and conference events.

General services include: meeting rooms, HealthBeat exercise facility, computer lab and dining/retail services. The building houses the offices of the campus newspaper (Northern Iowan), student government (NISG), student radio, the Center for Multicultural Education, student organization offices, Gender and Sexuality Services office, Military and Veteran Student Center, and International Student Programs.

Student Involvement & Event Services is responsible for the programs which focus on co-curricular development of the student. Leadership development, skills development, support for student organizations/interest groups, Greek Life, programming and event scheduling are central to this office.

Social and cultural activities include movies, comedy, forums, and lectures. Maucker Union is financed through fee monies, general education funds, and income-producing services within the building.

More information about Maucker Union and special programs and events can be obtained at union.uni.edu.

The Commons

Students, staff, and university guests use the Commons in a variety of ways. Housed within this building are the Georgian Lounge and the Slife Ballroom. The Georgian Lounge is used for teas, receptions, and other special occasions. The Slife Ballroom is a multi-purpose room used for banquets, dances, lectures, and student activities.

Marshall Center School

Built in 1893, the Marshall Center School is a symbol of UNI's contribution to Iowa's long record of excellence in education. This

historic structure was moved from Pocahontas County in western Iowa to the campus in 1987 to celebrate the early history of the campus as a teachers college. It now serves as a museum telling the story of early Iowa education.

Marshall Center served as a school, community meeting place, township school board meeting room, and voting place from 1893 until 1944. It has been restored and furnished as it would have looked circa 1922 and is one of the most authentic one-room school museums in Iowa. Programs are presented at the school to campus classes, regional elementary school groups, and the general public. Storytelling, reenactments, and presentations help visitors step back in time to visualize a typical day at a rural school.

The school is located at the corner of West 23rd and Indiana Streets and is open by appointment by contacting Nathan Arndt, Assistant Director, nathan.arndt@uni.edu or 319-273-2188.

For hours of operation and further information, visit <https://museum.library.uni.edu/>

Broadcasting Services

Administratively housed in the College of Humanities, Arts and Sciences are UNI's two separately programmed public radio stations. KUNI-FM serves the Cedar Falls/Waterloo, Cedar Rapids, and Iowa City areas at 90.9 on the dial. KUNI can also be heard at 89.7 in Dubuque, 102.1 and 94.5 in the Quad Cities, 88.9 and 101.7 in Des Moines, and at 91.5 in Mason City and 1010 AM in north central Iowa. KUNI offers listeners news and information programming during the day and contemporary music at night. KHKE-FM, at 89.5 on the dial, serves the Cedar Falls/Waterloo metro area with an arts and classical music format. KHKE is also heard at 90.7 in Mason City and 91.1 in Ottumwa. KUNI and KHKE are part of Iowa Public Radio which includes the public radio stations of the University of Iowa and Iowa State University. UNI students majoring in Electronic Media in the Department of Communication and Media serve as interns for the two stations.

For further information, visit <http://iowapublicradio.org/>.

University Events Coordination

University Events Coordination provides assistance in planning, budgeting, managing and evaluating conferences and seminars to enable the community to use UNI as a valuable resource.

This office has coordinated local events, small seminars, large conferences, simple operations and complex multiple speaker and site programs, and has resources and experience to help make each project a smooth, successful operation.

For information, call 319-273-5141.

Office of University Relations

The Office of University Relations leads and oversees all official institutional marketing and communication channels, programs and activities used to reach internal and external audiences.

These specifically include activities related to logos and marks/visual identity, style, usage, public relations, crisis communication, media relations, university website (web content and design), mobile app content and design, social media, internal campus communication, mass email, community relations activities, printing, displays,

paid media, photography, graphic design, marketing support and contracting for related professional services.

University Relations develops standards, guidelines and procedures necessary for the effective management of university branding and communication efforts, and routinely communicates these to university units.

For more information, visit ur.uni.edu or call 319-273-2761.

The University of Northern Iowa Alumni Association

The UNI Alumni Association boasts of more than 122,000 living alumni. More than 60% of our graduates live in Iowa, a testament to our standing as Iowa's university. Our mission is to facilitate communications and outreach activities with alumni, students and friends of UNI.

It is never too early to get involved with your Alumni Association. There are dozens of opportunities to network, learn and lead. Learn more at unialum.org, email alumni@uni.edu, visit our office at 205 Commons or call 319-273-2355.

Association Scholarships

Each year the Alumni Association awards three scholarships to current UNI students who have shown involvement with campus organizations, events, and activities. Two scholarships are awarded to undergraduate students, including one to a child of an alum. The third scholarship is awarded to a UNI graduate student who received their bachelor's degree from UNI.

The UNI Office of Student Financial Aid and Scholarships coordinates the awards.

Connecting Alumni to Students (CATS)

CATS, an official student organization of the UNI Alumni Association, is dedicated to enhancing UNI as a great place to live and learn; to serve as official keepers of traditions; to represent UNI in a positive manner on and off campus; and serve as a link between students, administration, and alumni. Learn more about this nationally recognized student group at unialum.org/cats.

Official UNI Class Ring

The custom-crafted UNI Ring features the UNI Campanile and founding date of 1876 around the crown. The campanile was built in 1926 to commemorate UNI's 50th anniversary. The four bells, which sound on the hour and quarter hour, are dedicated to the president of the university, the school children of Iowa, the faculty, and UNI students and alumni. The inside of the ring is inscribed with the word LUX, Latin for light. The word and map has been a part of the University seal since 1876.

The ring is available for purchase to those who have completed 60 credit hours at UNI. Learn more at unialum.org/ring-program.

UNI Outreach Events

The Alumni Association hosts a variety of events to connect alumni to the university. Parents and students are welcome to attend any UNI Alumni Association event or program. Celebrate the Power of Purple! Find a complete schedule of events at unialum.org.

UNI Alumni Clubs

The Alumni Association has established clubs across the countries. These alumni-led organizations plan events throughout the year including networking events, game watches, community service activities, and a variety of other opportunities to connect with fellow panthers.

Learn more at unialum.org/alumni-clubs.

The University of Northern Iowa Foundation

The University of Northern Iowa Foundation (UNIF) is a non-profit organization established in 1959. The mission of the UNI Foundation is to grow and sustain private resources and build relationships to support the University of Northern Iowa, its students, faculty, staff and programs.

The UNI Foundation is designated as the central fundraising agency for the university. The UNI Foundation aligns its fundraising goals with the goals of the University's strategic plan. All fundraising campaigns are developed in consultation with UNI's president, provost, deans and directors with the concurrence of the Foundation's senior management team and UNIF Board of Trustees.

Private gifts from alumni and friends provide support for scholarships, capital projects and for academic and student service programs, and all gifts are used for the purposes which the donor intended.

To learn how you can invest in a better future for UNI and our students contact:

UNI Foundation
University of Northern Iowa
Cedar Falls, Iowa 50614-0282
319-273-6078 or 1-800-782-9522

Educational Services

Undergraduate Academic Advising

UNI's undergraduate academic advising is structured for students to receive guidance from a designated representative in their academic department. It is the responsibility of the student to track their progress toward degrees and meet requirements for graduation. All students are encouraged to meet each semester with their assigned academic advisor for guidance and their record analyst in the Office of the Registrar two semesters prior to expected graduation date to verify satisfying degree requirements.

University Academic Advising Vision Statement

UNI aspires to create the best academic advising experience for each student.

University Academic Advising Mission Statement

Academic advising is a critical component of the teaching and learning environment at UNI. Advising is a personalized educational experience, empowering students to explore, articulate, and achieve their academic, career, and life goals.

University Facilities and Educational Services

University Academic Advising Goals

1. Promote a culture of quality academic advising through advisor education, recognition, and reward, and advising program assessment.
2. Assist students in understanding the nature and purpose of higher education.
3. Ensure that all students have access to knowledgeable and respectful advisors.
4. Provide accurate information about university requirements, policies, and procedures.
5. Encourage, support, and guide students to take responsibility for meeting their own educational, personal, and career goals.

Office of Academic Advising

<https://advising.uni.edu/>

The Office of Academic Advising engages students by connecting them to potential majors and careers, while facilitating their academic and personal success through exploration, transitions, and resources.

The Office of Academic Advising serves as the academic center for exploratory students, first-year students in select majors, students changing majors, and students reassessing their current academic situation. The Office of Academic Advising can help individuals to:

- explore academic majors and connect to careers
- relate career goals to academic programs and opportunities
- select appropriate coursework and engagement experiences
- tailor academic programs to fit interests
- interpret institutional requirements and processes / procedures
- develop critical-thinking and decision-making skills

With a supportive community and network, the Office of Academic Advising guides students through a structured program to develop goals and expectations based on their interests, strengths, and skills.

Questions related to new student advisement and undergraduate advising should be directed to:

Office of Academic Advising
007 Innovative Teaching and Technology Center (ITTC)
319-273-3406

The Learning Center @ Rod Library

Main Floor Rod Library

<https://tlc.uni.edu/>

The Learning Center @ Rod Library (TLC) is staffed by professional educators and trained, certified peers who deliver quality services in an accessible, supportive environment to help students become more independent, effective, and confident learners. At UNI's TLC, you will find students helping students develop the academic skills necessary to be successful in college and beyond, by assisting students to study more effectively, draft essays, expand math skills, prepare for tests, revise papers, develop lab reports, manage study time effectively, improve reading skills, create a study plan, avoid plagiarism, and much more. TLC services are offered free of charge to all currently enrolled students.

Examination Services

007 ITTC
319-273-3926

Examination Services offers credit by examination, certification examinations, and most major national college and professional school entrance exams. Services are provided to enrolled graduate and undergraduate students, non-UNI students, and non-students.

Examination Services offers these tests:

- Praxis Core
- Praxis II for teacher certification
- College Level Examination Program (CLEP tests for college credit)
- Test of English as a Foreign Language (TOEFL)
- American College Testing Program (ACT)
- SCANTRON assessments and certification tests
- DSST Subject Standardized Test for College Credit
- ISO Quality Certification Tests

Examination for Graduate School Admissions:

- To determine which examinations you are required to take, it is recommended that you meet with your current advisor and/or department head and the graduate student advisor for the programs to which you are applying. Graduate Record Examination (GRE) and Miller Analogies Test (MAT)

Professional School Admission Tests:

- Law School Admission Test (LSAT)

Information Technology

Information Technology (IT) is responsible for the strategic planning and delivery of information technology services to the University of Northern Iowa. Services include support for enterprise systems serving academic and business functions, communications systems, data and voice network services, systems administration, endpoint device support, help desk services, academic technology integration services, support for classrooms and learning spaces, online learning systems, business intelligence and reporting, identity management and authentication, multimedia services, and many others.

HNI Corporation Instructional Resources and Technology Services

<https://coe.uni.edu/irts>

HNI Corporation Instructional Resources and Technology Services, within the College of Education, provide services and resources for teacher education students, faculty and staff. Many of the services are also available for N/K-12 grade teachers and administrators. IRTS offers resources and technological services for the pursuit of curriculum and instructional development. OneSearch can be used to search library catalog for curriculum resources in the IRTS collection. IRTS facility provides an open space for creativity and collaboration.

The mission of Instructional Resource and Technology Services is to provide students, faculty and in-service teachers/administrators with laboratories in which to examine and evaluate new curriculum resources. Resources include textbooks, professional materials, computer software, Macintosh and Windows computers, multimedia systems and more.

Visit our website for more detailed information at <https://coe.uni.edu/irts>.

Educational Opportunity Programs and Special Community Services (EOP/SCS)

The University of Northern Iowa places a high priority on providing quality education to financially disadvantaged and minority students. To fulfill this commitment for all students, the university has established the **Educational Opportunity Programs and Special Community Services Department (EOP/SCS)**. EOP/SCS is designed and coordinated specifically to meet our students' educational, social, and financial needs for pursuing their educational goals and prepare for careers. A primary goal for EOP/SCS staff is to provide supportive services to all project students, thus enhancing the successful completion of the student's college career. EOP/SCS consists of the following programs: the UNI Center for Urban Education (UNI-CUE), Educational Opportunity Center (EOC), Educational Talent Search Cedar Rapids (ETSCR), and Upward Bound.

EOP/SCS provides a positive environment for lifetime learning. EOP/SCS staff collaborates with other campus departments and community programs to match its resources with community needs.

The **Center for Urban Education (UNI-CUE)**, located in the heart of the urban area of Waterloo, Iowa, is the university's community connection. It represents the university's strong commitment to cultural diversity. In addition to hosting UNI's federally funded TRiO programs, the UNI-CUE has a number of in-house programs that serve both UNI students and citizens of Black Hawk and Linn Counties:

- **Continuing Education Classes** are offered at the UNI-CUE Monday through Thursday afternoons and evenings. Courses continue to be expanded and offered during a time convenient for most nontraditional students.
- During the academic year, the **UNI-CUE Tutoring Center** provides tutoring services free of charge to K-12 students from Black Hawk County. Tutors work one-on-one with students at all skill levels in English, reading, composition, social sciences, math, and other content areas as requested. The Tutoring Center is

specifically designed to provide students with skill development over the course of several weeks to a semester.

- A free **ACT Prep Program** for high school students from Black Hawk County who are preparing to take the ACT Exam. Prep sessions are held on four days each week during the academic year. Each session consists of 60 minutes of tutoring on a specific subject (Math, Reading, English/Writing, and Science) plus 30 minutes of Test Taking Strategies. Students can repeat courses as often as they feel is necessary in order to raise their ACT/SAT scores.
- The **UNI-CUE Leadership Academy** is a four-week summer program for students preparing to enter middle school in the fall. Students must be nominated for this program by their 5th grade teachers. During the program, students work to improve their reading, writing, and study skills. Students participate in cultural outings and field trips. They are also introduced to guest speakers who present on a variety of topics pertinent to their age level.

The **Educational Opportunity Center (EOC)** is an academic counseling program, which promotes post-secondary education in communities with large populations of low-income, first-generation adults who are often not aware of educational and career opportunities available to them. Professional career and education counselors assist eligible adults with selecting a post-secondary institution or training program suited to their interests. Counselors assist clients with the completion of admissions and financial aid applications, scholarship searches, and defaulted student loans, as well as provide academic development workshops (study skills, test taking, college writing, and basic reading and math skills) and academic advising. EOC services are free to eligible participants who are age 19 or older and do not have a four-year degree.

The **Educational Talent Search (ETS)** program helps students prepare for and acquire a college education. All students who attend one of the Waterloo Community School District's public middle or high schools (Bunger, Central, Hoover, Logan, East, Expo, or West), high school graduates (who are not currently taking college courses), and high school/college dropouts living in Black Hawk County through age 27 are eligible to apply. ETS is an educational counseling service designed to assist 1,200 students to continue in and graduate from high school and enroll in an educational program beyond high school, and also to assist high school and college dropouts to return to an educational program.

Like its ETS counterpart, the **Educational Talent Search - Cedar Rapids (ETSCR)** program is a college preparatory program funded by the US Department of Education. The goal of ETSCR is to encourage participants to graduate from high school and to enroll in college. ETSCR participants are students who demonstrate potential for postsecondary education, but may be lacking resources and knowledge to prepare adequately. Two-thirds of participants in ETSCR must meet income requirements and be first-generation college-bound (meaning neither parent has received a Bachelor's degree). ETSCR services are available to 6th - 12th grade students who attend school in the Cedar Rapids Community School District (Franklin, McKinley, Roosevelt and Wilson middle school and Jefferson and Washington high schools).

The **Upward Bound (UB)** program is a college preparatory program designed to empower program participants with the academic skills

University Facilities and Educational Services

and motivation necessary for success in high school and ultimately college. UB serves students from low-income first-generation families who demonstrate potential for college as measured by standardized tests, high school grades, and written recommendations from a school administrator, counselor, or teacher.

UB focuses around the after-school Supplemental Instructional/Tutorials program. It includes academic advising, career exploration, college tours, study skill development workshops, leadership conferences, and other activities. During the summer, UB students spend six weeks living in UNI dorms attending enrichment courses in mathematics (algebra, pre-calculus), English (literature and composition), science (biology, physics), foreign language (Spanish, French), economics, and computer science. In addition, students participate in cultural enrichment activities. Students earn credits, which are transferable to the college or university that the student will attend upon high school graduation.

The Roy Eblen Speech and Hearing Clinic

This clinic offers communication services in the areas of speech, language, swallowing, and hearing to both university and community members. These clinical services form an integral part of the program of professional preparation in speech-language pathology. Majors in communication disorders and speech-language pathology carry out clinical services under the supervision of the faculty and clinical instructors in the Department of Communication Sciences and Disorders. Services offered include audiological evaluations, speech and language evaluations, and therapy services for individuals of all ages.

UNI Child Development Center

<https://cdc.uni.edu/>

The UNI Child Development Center (CDC) is an accredited non-profit care and early learning facility designed to meet the needs of young children by providing quality programming within a safe and nurturing environment. The CDC provides high quality, full-time childcare

for the children of faculty, staff, and students of the University of Northern Iowa.

The CDC serves as an educational laboratory for UNI students majoring in Early Childhood Education and other related fields, facilitating the students' learning about young children. Inclusionary special education services are integrated within all of our classrooms and serve identified students who need an individualized education program. When a child is enrolled with special needs, staff are oriented in understanding that child's special needs and ways of working with the child in the group setting. Certified teachers, assisted by university students, provide instruction in the multi-age classrooms. The CDC goals include providing an innovative curriculum based on current research, developing of teacher education curriculum, and modeling developmentally appropriate evaluation processes.

The CDC is located in the Nielson Fieldhouse. The CDC serves approximately 62 children. The Center operates on the university calendar, offering programming during the academic year and summer sessions.

For more information on the programs offered, or to learn how to register your child, call the CDC at 319-273-3946. Or you may visit the CDC office located in the Nielson Fieldhouse, 1901 Campus Street, Cedar Falls.
