

Program Certificates

The University of Northern Iowa makes available, in addition to traditional programs, the opportunity for students to earn program certificates. Program certificates provide an alternative to programs leading to a degree, a major, or a minor; they certify that an individual has completed a program approved by the university. For information on any specific program certificates, contact the college or department indicated or the Office of the Registrar, which serves as the centralized registry.

The university offers a variety of interdisciplinary curricula to meet the growing need and interest in work beyond collegiate division. The following undergraduate majors and minors are under the supervision and jurisdiction of several committees, departments, or colleges as indicated. The programs include:

Program Certificates

- Applied Business Concepts (p. 1) (Continuing Education and Special Programs)
- International Business, Culture, and Language (p. 1) (also listed in Department of Languages and Literatures and the Wilson College of Business)
- Interdisciplinary Studies (p. 3) (graduate certificate)
- Museum Studies (p. 3) (also listed in Department of Art and Department of History)
- Sustainability (p. 4)
- Graduate Certificate in Women’s and Gender Studies (p. 5) (also listed under College of Social and Behavioral Sciences)

Certificate in Applied Business Concepts

The certificate in Applied Business Concepts will provide Bachelor of Liberal Studies (BLS) students as well as other adult learners access to a program that is convenient, flexible and offers an alternative to the traditional path to a certificate program. This program aligns well with the BLS degree since it allows students the opportunity to complete a certificate completely online. Offering a fully online certificate program creates access for BLS students, but also helps to recognize the unique needs of adult learners -- by providing access to education that can be balanced with work and family obligations. Access is one of UNI's strategic initiatives. The student learning outcomes for this program will be tied to course-level and university-level learning outcomes.

Priority registration will be given to Managing Business and Organization BAS students; however, exceptions to the BAS admission prerequisite will be given to BLS students wishing to pursue the certificate. All BLS students must register through the Online and Distance Education office (<http://distance.uni.edu/enroll>).

Interdisciplinary Studies (graduate certificate)

This certificate consists of a set of individualized courses to be tailored to the specific needs of students which can then be applied towards the Master of Arts in Interdisciplinary Studies or any other UNI graduate degree with departmental/program approval. Certificate credit hours may range between 9 to 15 credit hours.

Admission requirements: Non-Degree status has been established for a post-baccalaureate student who:

1. wishes to take graduate courses for self-enlightenment unrelated to any graduate degree program.
2. plan to demonstrate competence in graduate studies in support of consideration for admission to a degree program at a later time.

The admission process for Non-Degree status applicants begins when the application for admission and all supporting documents have been received in the Office of Admissions. Requests for Non-Degree Status are reviewed and acted upon within the Office of Admissions. The application will also be reviewed by a Graduate College representative who will then contact the departments/programs to assist the student in the design of the certificate to meet career goals. A student must complete the certificate with a cumulative GPA of 3.0 or higher.

Applicants must have a bachelor's degree from a college or university accredited by the North Central Association of Colleges and Secondary Schools or a corresponding regional agency, or have a bachelor's degree from a foreign institution recognized by that country's Ministry of Education. All students wishing to earn non-degree graduate credit from UNI must have a verified bachelor's degree (and master's degree if the student wishes to take doctoral level courses). The student must file an official transcript or statement of degree from each college or university from which they have received a degree, unless the degree was obtained from the University of Northern Iowa. Only documents sent directly from the issuing institution to the UNI Office of Admissions are considered official. Transfer credit is not processed for students in non-degree status at UNI.

Museum Studies Certificate

The Museum Studies Certificate exposes students to the array of occupations in the museum industry and provides them the opportunity to add an experiential component to their academic education. The certificate is available to upper-division undergraduate and graduate students who have completed the introductory course, seminar, internship, and methods and elective courses in their field of study.

The Museum Studies Certificate complements the existing frameworks of department majors. Students will take two or three (depending on variable major requirements) classes (including HIST 4020/5020/ANTH 3440/5440 Introduction to Museum Studies and ARTHIST 4003/5003/HIST 4003/5003 Collections Care and Management hosted by UNI Gallery of Art and UNI Museum), as well as an internship with a community partner. These internships and electives for the Museum Studies Certificate may be counted

towards their major electives and/or university electives. For example, Textile and Apparel requires internships as part of the major; the internship requirements of the MSC will complement that major requirement. HIST 4020/5020/ANTH 3440/5440 Introduction to Museum Studies and ARTHIST 4003/5003/HIST 4003/5003 Collections Care and Management with UNI Gallery of Art and UNI Museum will be available every year.

The introductory course is taught by faculty in the History department, the seminar in collections care and management is conducted through the Art department by UNI Gallery of Art in conjunction with UNI Museum. Department faculty liaisons in students' major departments define the methods and elective curricula and oversee their students' museum internships.

Students select electives within the Foundations and Integrative Perspectives categories. Foundation electives reside within three distinct bin types: Scientific Reasoning, Responsibility and Human Condition. Integrative Perspective electives also reside

in three distinct bin types: Natural Systems and Stewardship, Social and Cultural Dimensions, and Business, Technology and Policy. Together these electives aim to provide students with a comprehensive understanding of sustainability and environmental literacy.

This university wide certificate is for students interested in exploring Sustainability. There is one required course with twelve elective credits to reach the minimum of fifteen credits. As students complete this certificate there is a required, non-credit, reflection form and advisor meeting. This form may be obtained from the Sustainability Advising Director.
